

What is **YOUR** priority?

# GROUNDApp™

## Mobile Reservations

**GroundApp™ - GO MOBILE with your very own branded mobile App for your customers!**

- Generate More Reservations
- Reduce the Number of Inbound Calls
- Improve Customer Satisfaction
- Enhance Your Competitive Edge

### How it works

**GroundApp™** provides end-users with a quick and easy way to book ground transportation through a simple mobile application from any geographic area, worldwide. Your branded app can be downloaded quickly from the App Store or Google. Once downloaded your branded app with logo is placed on your customers mobile devices home screen, allowing quick and easy access.

### Features

- Book, edit or cancel a reservation
- Locate, track or contact my chauffeur
- View past reservations and obtain receipts
- Get a rate quote
- Update location information
- Update payment information

### Key Benefits

- App will generate additional reservations
- Reduces the number of phone calls to your call center
- Improves customer service and satisfaction
- Enhances your competitive edge
- Increases your marketing presence
